Sealmatic Premier League (SPL) 2024: A Celebration Of Teamwork

Sealmatic Premier League (SPL) returned for its second season this year, bringing a wave of enthusiasm and excitement to the Sealmatic family. This much awaited event saw employees from different departments coming together on the cricket field, to bond, connect and celebrate the spirit of teamwork.

SPL was mainly organized to provide employees with an opportunity to interact and connect outside the workplace. With each match, players displayed their passion for the game while forming stronger personal and professional relationships. The tournament was not just about cricket, it was about adopting understanding and cooperation among employees from various roles.

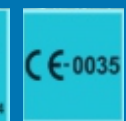

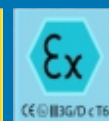

Employees displayed incredible sportsmanship, proving that their determination and competitive spirit extend beyond their daily tasks. Each department brought its unique energy to the games, with wearing Sealmatic Blue T-shirts, enthusiastic cheering squads and playful banter that added to the liveliness of the event.

Sealmatic Premier League has now become a tradition that brings everyone together. It is a platform to strengthen trust and understanding across departments, ensuring Sealmatic Dream Team remains a cohesive unit. We celebrate our passion for the game, the strength of our teamwork and the unity of Sealmatic family. Stay tuned for the next season of SPL!
