

Sealmatic Shines At Abu Dhabi International Petroleum Exhibition (ADIPEC) 2024, Abu Dhabi, UAE

Mumbai, November 07th 2024: Sealmatic India Ltd, listed on the Bombay Stock Exchange (BSE: BOM: 543782) recently participated at ADIPEC 2024 in Abu Dhabi, UAE, taking a center stage at one of the most influential exhibition for the global energy sector.

ADIPEC is one of the world's largest and most inclusive gathering for the energy industry which attracts multinational corporations, public enterprises and professionals from every segment of energy and process sectors.

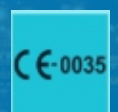

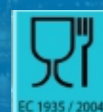

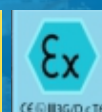

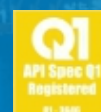

For this year, Sealmatic participated for second time and it proved to be highly successful show. Sealmatic seized the opportunity to connect with existing customers and engage with potential partners, further strengthening its global network. Stakeholders from various process industries and a wide range of pump OEMs stopped by to experience Sealmatic products firsthand. The hands on experience, coupled with insights from Sealmatic Dream Team, allowed attendees to witness the excellence of the company's sealing technology. ADIPEC offered an ideal platform for Sealmatic to deepen its relationship within the industry, reaffirming its position as a frontrunner in sealing solutions.

Participation by Sealmatic in ADIPEC 2024 represents a crucial step towards solidifying our footprint in the Middle East region, which is the most dynamic market for Oil & Gas, Petrochemical and other process industries. As Middle East countries continue to expand their process industries and invest heavily in sustainable energy solutions, Sealmatic is positioned to support these advancements with its high quality sealing technologies., says; Umar AK Balwa – Managing Director
