## Sealmatic Shines At EGYPES 2025 Exhibition At Cairo, Egypt

In the heart of Cairo, the EGYPES 2025 (Egypt Energy Show) Exhibition emerged as a beacon of innovation and collaboration. Supported by the esteemed Egyptian Ministry of Petroleum and Mineral Resources. Sealmatic recently took center stage at EGYPES 2025, marking its second consecutive participation in one of the most influential oil and gas exhibitions in Egypt. EGYPES is recognized as a premier platform that brings together global industry leaders, government officials and decision makers from across the energy spectrum.

Sealmatic had an impressive number of visitors from diverse industry segments, including End Users, EPC and OEMs. The booth of Sealmatic became a focal point of interest and interaction for industry professionals eager to explore the company's state-of-the-art mechanical sealing products tailored for critical applications in oil & gas, refineries, petrochemicals and power sectors.

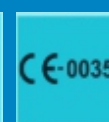

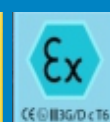

*Participation in EGYPES 2025 by Sealmatic marks a significant step in our expansion strategy. The exhibition served as a gateway to further strengthen our presence in the African market, thus; allowing us to connect with key stakeholders and explore new business prospects. With an ever growing demand for high performance mechanical sealing solutions in the region, Sealmatic is well positioned to cater to the needs of its customers with cutting-edge sealing technology – says; **Sanjeev Vange – Vice President (Sales & Marketing).***

Sealmatic has set the stage for even greater achievements in the future and remains dedicated to transform the landscape of mechanical seals and system in the African continent, offering unparalleled reliability, durability and performance to industries across the continent.
